

Department of Public Works

Report for February 2017

Submitted by

Purnell Hall

Public Works assisted Ms. Griffin with the step up for Black History event at the Town Hall. Transport round tables from Colmar Manor and returned them after the event was over. Public Works started preventive maintenance on all summer equipment. While spring is arriving Public Works will start a little early with our ground maintenance. Such as prepping flower beds trimming trees and cut grass within the Town of Bladensburg. The repainting of the Code, Police Station, Town Administrator office has been completed job was well done. Public Works assisted with Roger Height Elm. food give away. Repainted all 4 handicap curbs within the Town. Public Works has been working hard on bring all signs within the Town up to code with Maryland's traffic control devices. This type of work takes several months to be completed. On the page 3 you can see 2 phase that we have to go through in order to set one sign. Residents Public Works pick up building material every Tuesday so please make sure you put it out on the right day. Mr. Hall has been working with several contractors in reference stripping on Upshur St in the industrial area.
